Windermere, Edmonton, AB

Welcome to the desirable community of Windermere! This 2 storey half duplex with a fully finished basement has everything a young family could ask for! The care of ownership is evident the moment you open the front door. Immaculately kept home with a great open concept main floor complete with an office/den. Upstairs you'll find the primary with a 3 piece ensuite and walk-in closet. The other 2 bedrooms share a full bathroom. Downstairs, you'll find a gym space, which easily could be converted into a 4th bedroom if you wanted. Along with another 2 piece washroom and great open rec space. But the backyard is what truly separates this home from any other in the area. A larger backyard than most single detached homes. You'll fall in love with the GIANT yard space with a dedicated dog run. This property is truly one of kind.
